

## Life Change Program:

Life Change is a place where people who are struggling in any area of life can come together in community. It's a place where they can heal, worship, learn, Grow in Christ, and fellowship with one another.

At Life Change we believe as Paul said in his letter to the Corinthians "If one member suffers, all suffer together; if one member is honored, all rejoice together." Some of the ways we follow this include; Two main services each week, "Life Change", our Sunday evening worship service and "Life Change Lunch", our Tuesday afternoon bible/book study.

In addition to these services, on the last Saturday of each month the Life Change community goes to the local Cassville laundry mats to provide assistance with paying for laundry of those who may be struggling to do so. We also do fun "Life Change" events and celebration including but not limited to attending concerts, Bowling, Hikes, Parades, etc.

# PROGRAMS WE OFFER:

In the JFL class students learn soft skills such as how to write a resume, how to construct a vocational plan, how to conduct themselves in an interview and how to communicate. But the 3 most important things students learn in class are Identity, Character, and Community.

Learn more about how to handle finances in a better more biblically effective way. Participants will be assigned allies to come alongside and assist them throughout the class. Come together to experience how Jesus can provide peace, healing and freedom through restoring relationship with Him, others, ourselves, and with our money.

This course which seeks to introduce the basics of the Christian faith through a series of talks and discussions. It is described by its organizers as "an opportunity to explore the meaning of life"
